

dr. barbers is proud to introduce new products from Bedfordshire Beard Co. Check out their amazing new products:

BEDFORDSHIREBEARDCO

ABOUT

Bedfordshire Beard Co was born after months of creating & blending beard oils for our own beards. After trying others on the market we hope we can bring new scents with great high quality oils to you bearded fellows or the gents who prefer to shave with natural oil.

To add to our exciting beard/shave oil range we will soon be supplying pomades, moustache waxes and Eau De Parfum using our signature scents.

DARK PEPPER SHAVE & BEARD OIL

£3.99

Dark Pepper- strong pepper scent with the lovely aroma of patchouli that blossoms through.

Ingredients:
Grapeseed oil, Almond oil, vitamin E and a blend of Cedarwood, Patchouli & Black Pepper.

Directions of use:
Place a 6-8 drops in your palms and massage into hair and skin (combing through if required). After softening has commenced either shave or use as a conditioner if you're cultivating a valiant beard.

Handmade in small batches in Bedfordshire - England.

Perform a small skin test before using fully as the oil might contain

SAWMILL SHAVE & BEARD OIL 10ML

Perform a small skin test before using fully as the oil might contain allergens to certain individuals.

ALT BARBERING CO LIMITED EDITION OIL OR BALM
£10.00

We've been working closely with Alternative Barbering Co for a while now and they wanted to collaborate to design a new scent.

After them used Menthol and Eucalyptus shaving creams in their shop we decided why not put the same into a Beard Balm and Beard Oil. The result - Clearing your nose and keeping you smelling so fresh.

Balms are a great way to add a little hold to your beard but still keep it looking strong and healthy. Always one for those longer beards that stray and comes in a 50ml tub.

Ingredients - Shea Butter, Beeswax, Argan Oil, Menthol Oil, Eucalyptus oil.

Oils are great for general maintenance and keeping your skin and hair moisturised.

Ingredients - Grape seed oil, Almond oil, Jojoba, Apricot Kernel Oil, Hemp seed oil, vitamin E, Menthol Oil, Eucalyptus Oil.

Handmade in small batches in Bedfordshire - England.

Perform a small skin test before using fully as the oil might contain allergens to certain individuals.
